

Safety and Health Policy

We care about and are committed to the safety, health and wellbeing of our customers, team members, contractors, business partners and visitors. Our vision is to become one of the safest places to work and shop. Our aspiration is 'Destination ZERO' where people go home from work or shopping free from injuries or illness.

Our guiding principles are:

- Actively caring for each other
- Striving to prevent injuries and illnesses
- No service or task is so urgent and important that we cannot do it safely
- We are responsible for our own decisions and actions; the standard you walk past is the standard you accept
- We will promote and celebrate our success.

We demonstrate this by:

- Applying risk management to prevent injuries and illness
- Complying with laws, external requirements and our processes
- Setting measurable objectives and targets to continuously improve our performance
- Providing information, training, instruction or supervision so that team members can carry out their work safely
- Engaging and consulting to receive feedback on safety and health within the workplace
- Making safety and health information available.

We all want to go home safely every day, our family and friends depend on it. Please join me in making this commitment a reality.
